

**ICNHB Steering Committee - Minutes**  
**2/24/20**

Attending: Sue Dallam, Chuck Hesse, Adele Monserud, Donna Grundstad

Absent: Sheila Stevenson, Jerry Stamp

The meeting was called to order at 10:45.

- The Committee approved the request to use \$50 from the Jon Cryer Memorial to purchase Silver Swing Music from the NHIMA Website. The music is free, but we must pay the shipping charges.
- The Committee voted to shorten summer band by two weeks. Summer band rehearsals will go from May 26 to June 25. The concert in the park with the Community Band will be on June 28. Dues for summer band will be \$35 instead of \$45. Sue will inform Michelle at the Senior Center about the dates.
- Sue will talk to Josh about directing summer band. She will inform him that we need to know by March 1. If Josh is not going to direct, Sue will meet with Dr. Harry regarding a replacement.
- Music stands for percussion will be reserved on a rack. Five additional stands will be available for student directors. (If we currently don't have enough stands in the closet, more can be brought in from the storage facility.) Adele will ask Josh to tell the student directors not to take stands from the rack and to return stands to the closet at the end of ensemble rehearsals.

The meeting was adjourned at 11:15.

Respectfully submitted,  
Donna Grundstad
