

ICNHB Steering Committee Minutes October 6, 2020

Attendees: Jerry Stamp, Joyce Marner, Bill Blanchard, Doug Busch, Donna Grundstad
Absent: Adele Monserud, Chuck Hesse, Steve Helscher

The Committee welcomes new members Doug Busch and Steve Helscher. Huge thanks to Jerry Stamp and Adele Monserud as their official committee membership has ended.

Election of Officers:

- Chair - Joyce Marner
- Secretary - Donna Grundstad
- Treasurer - Bob Hansen

Steering Committee Members are able to send email to the Steering Committee and to the ICNHB using the following Google Group addresses. (Jerry and Adele will also have access because of their continued work with the band.)

- icnhbsteeringcommittee@googlegroups.com
- ICNHBMembers@googlegroups.com

Virtual Band Participants:

- Last week there were 35 participants. This week there were 25. Jerry reports that there are 28 who have both paid and signed up for SmartMusic. He will contact the members who have paid but who haven't signed up for SmartMusic to see if they need assistance.
- Dues for the semester are \$75, which includes SmartMusic. Dues should be mailed to Jerry.
- There is a break during rehearsals intended for break-out Zoom chat sessions. Joyce will talk to Josh and Michele about making it happen.

Monday Night Band:

- Currently no one has been hired to direct the virtual Monday Night Band. Jerry Stamp directed it last Monday. He is able to do so, but would prefer that we hire a director.
- Joyce will tell Josh that we need a conductor for Monday Night Band by next Monday.

Future plans:

- We will consider the possibility of finding a location to actually meet together. Other groups are using parking lots, parking ramps, etc.
- Joyce will talk to Nancy Wombacher about printed music for older students. Nancy is in contact with Roy Ernst who might have suggestions.

The next meeting will be called when needed.

Respectfully submitted,
Donna Grundstad, Secretary
